

Forestry England

Q&A DROP IN SESSION

10:00– 12:00

Saturday 11th March

The Club, Sling

Your opportunity to chat to your local Community Ranger about the upcoming forest operation to remove the diseased larch in Milkwall Inclosure and any questions or concerns you may have.

Learn more about *Phytophthora ramorum*/ larch disease and what you can do to help prevent it spreading.

For more information call 0300 067 4800 or email westengland@forestryengland.uk
