

Become a Teaching Assistant

Are you looking to start a rewarding journey that equips you with the **skills** and **knowledge** you need to support and inspire the next generation? Our **level two and three NCFE certified** Teaching Assistant courses will give you the **experience, confidence, skills and understanding** you need to become an effective teaching assistant.

You will learn:

- **How schools run day-to-day**
- **How to work with children**
- **How to manage behaviour**
- **How to support and assess children in school**
- **How to support learners with Special Educational Needs and Disability (SEND)**

Taught by **experienced lecturers**, you can expect to learn from those with **first-hand experience**; don't just take our word for it:

Teaching Assistant student, Emma H - "Throughout the course, our lecturer has been incredibly informative and knowledgeable. They have brought out the best in me, giving me a newfound confidence and belief in myself. The Teaching Assistant course has made me believe I am capable of doing more than I realised. This really has been an amazing journey for me."
