On behalf of Gloucestershire County Council, we will shortly be undertaking geotechnical monitoring works on a section of Fancy Road near Parkend, which has experienced significant deterioration due to ground movements.

This section, beginning approximately 300m east of Woodland Rise, **Parkend** and extending over a closure length of 500m east, is part of a programme of ongoing geotechnical monitoring by Gloucestershire County Council. The proposed works are due to take place between **08:00 on Monday to 18:00 on Friday on weeks commencing 10th and 17th June 2024**, during which time a **full road 24/7 closure** will be in force as per the below drawings. A diversion route will be maintained utilising the **B4234 New Road and the B4226 Speech House Road**.
Forestry track access will be maintained for official use as required
