

It's an opportunity for everyone - children, adults, and everyone in between - to help make our county leafier and lovelier. As a Tree Warden, you'll get to:

Plant new trees, contributing to a **GREENER GLOUCESTERSHIRE** one tree at a time

*NURTURE* and care for trees, almost like having your own green, leafy pet

*PROTECT* our woods and wildlife habitats, because trees are home to a host of **INCREDIBLE** creatures

Engage with the local community, spreading the word about the *IMPORTANCE OF TREES*

Organise exciting tree-planting activities, proving that **SAVING THE PLANET** can be fun
