

The Forest of Dean BIG HEALTH DEBATE

Invitation

Monday 13th July.

Thank you so much for taking the time to complete our recent Forest of Dean Big Health Questionnaire. We received a fantastic response, and your valuable feedback has been instrumental in helping us shape the next steps for our community.

When you filled out the survey, you indicated that you would like to receive an invitation to our upcoming event. Therefore, we are delighted to invite you to be part of the Forest Health Forum's **BIG HEALTH DEBATE** on **Monday 13th July**.

Event Details

1. **Date:** Monday 13th July
2. **Time:** Arrival and welcome from 10:00am (sessions start at 10:30am)
3. **Location:** Lydney Town Hall, High St, Lydney GL15 5DY

What to Expect

Following the great response to the questionnaire, we have secured keynote speakers to address the main themes that emerged from your replies. The debate will focus heavily on:

1. Mental Health & Wellbeing
2. Dentistry
3. GP Surgeries

We also hope to have a representative present to provide an update on the progress of the new surgeries in Coleford and Lydney.

Following the presentations and a mid-morning break, we will host open discussions where you can actively debate these topics. The material and ideas that emerge from this event will directly inform an action plan with both short- and long-term aims for our local health services.
